Wrong username or password will result in failure to add. [View Reasons](#)

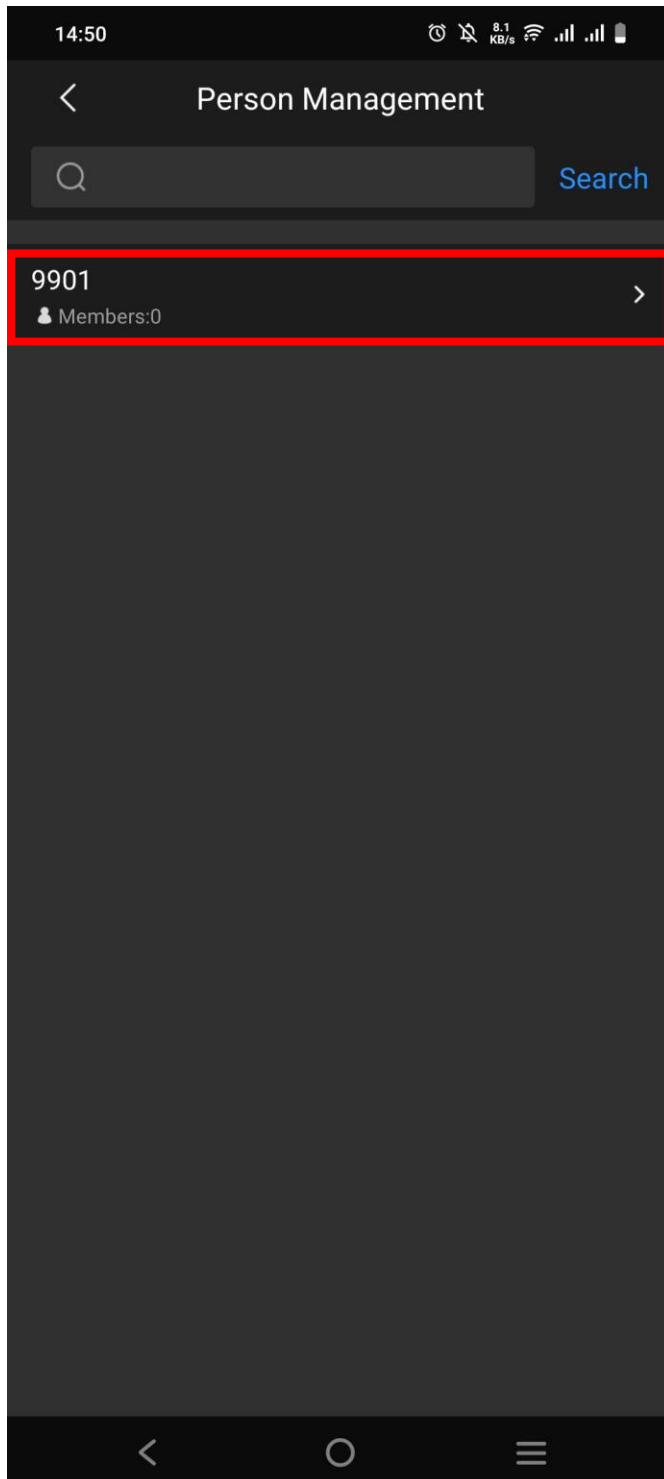

Select the Time zone and click the Done button

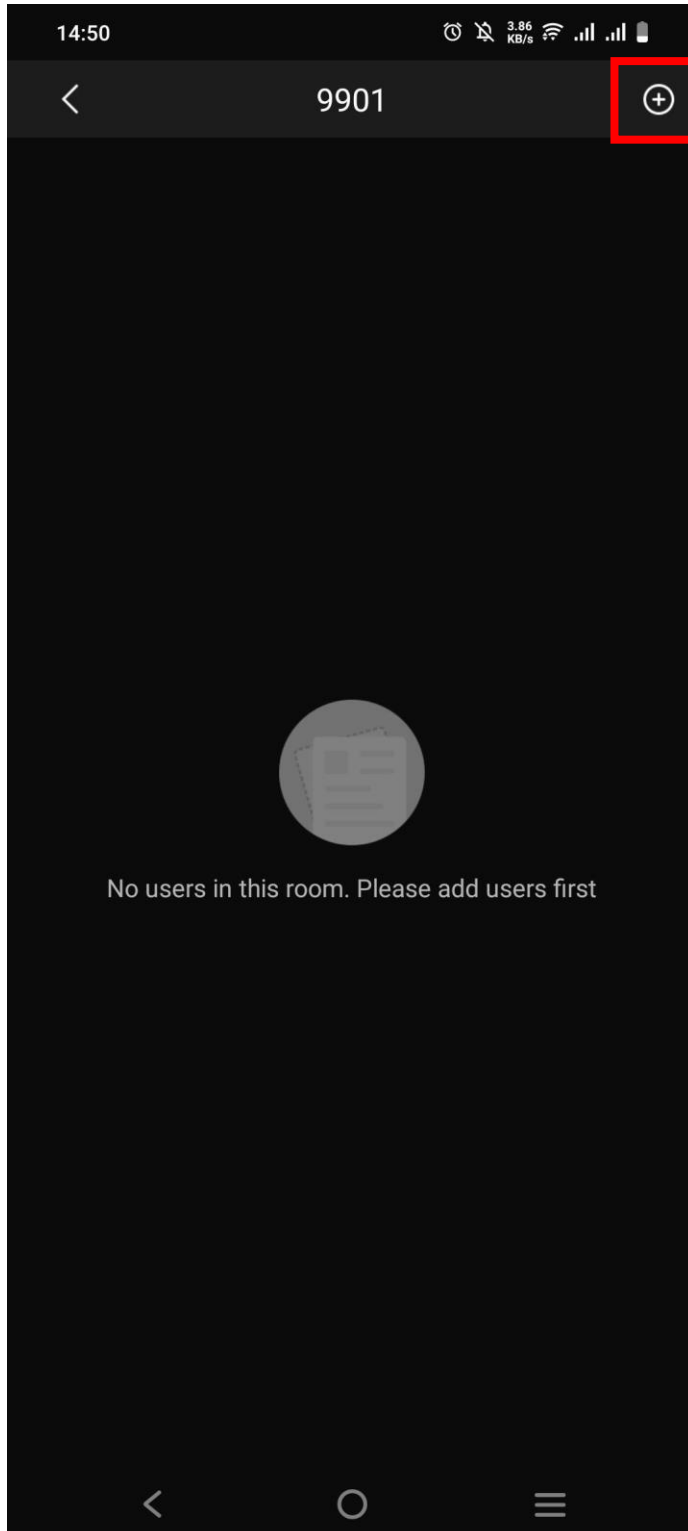

After successfully adding the device you will see the device on the list, select the device to see the Person Management.

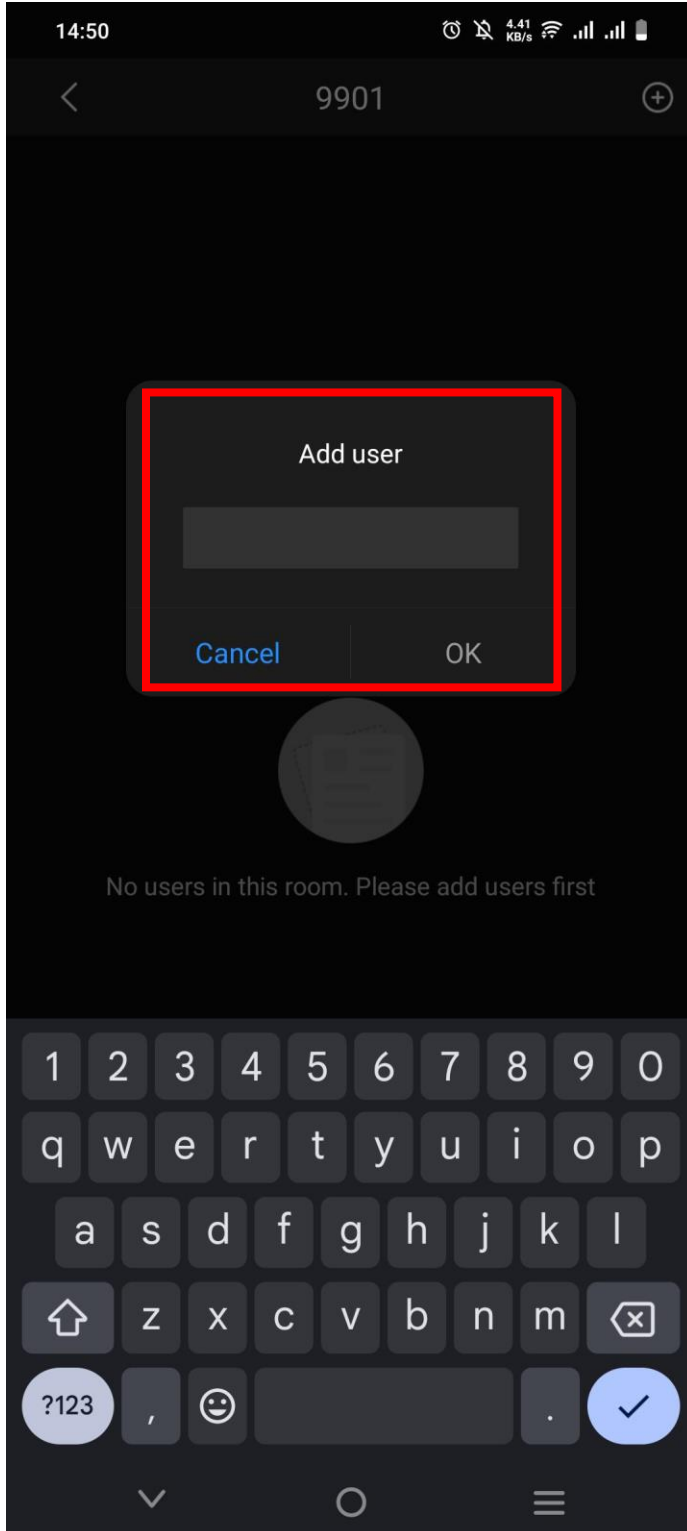

Under Person Management you will see the room that registered on this device, select the Room number to assign a member.

Click the Add button at the top right of the screen to add the member

Enter the DMSS account of the member you want to assign for this room

The image shows a mobile application interface for room management. At the top, the status bar displays the time 14:50, signal strength, and battery level. Below the status bar, a navigation bar shows a back arrow, the room ID '9901', and a plus icon. The main content area is dark gray. In the center, there is a white dialog box titled 'Add user'. The dialog box has a text input field and two buttons: 'Cancel' and 'OK'. The dialog box is highlighted with a red border. Below the dialog box, there is a circular icon representing a user profile. At the bottom of the screen, a keyboard is visible with a blue checkmark button on the right.
